2003 – Foundation of the “Förderverein Montanregion Erzgebirge e.V.” to provide support and finance for the project. In the very same year, the first contacts with the Czech Republic were made.

within the context of a cross-border EU research project

2010 – Foundation of a non-profit sponsor company with the involvement of the two districts on the Czech side (“Montanregion Krušné hory – Erzgebirge gGmbH”)

2011 – On the Saxon side, the sponsor company is taken over by three districts and 35 local authorities (“Welterbekonvent Erzgebirge”) – responsibility for organising and financing the application phase is thereby taken over by the region itself. The overall steering of the project is taken over by the “Wirtschaftsförderung Erzgebirge GmbH”.

Takeover of commercial management by Wirtschaftsförderung Erzgebirge GmbH

The nomination is confirmed to be worthy of World Heritage status, however ICOMOS recommends clarification and qualification of the documentation in order to improve the chances of successful inclusion in the World Heritage list.

International Council on Monuments and Sites (ICOMOS) regarding revision and re-clarification
